1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Timothy Ford on August 3, 2005.

The application has been amended as follows:

In claim 1, line 15 "first" has been changed to --third--.

In claim 14, line 10 "ear frame member is" has been changed to --and second ear frame members are--, line 11 "end of the band, a portion of the first ear frame member" has been changed to --and second ends of the band respectively, a portion of the first and second ear frame members--, line 12 --and second-- has been inserted after "first" and line 13 "member" has been changed to --members--.

In claim 20, line 6 "ear portion" has been changed to --and second ear portions-- and line 7 "ear portion" has been changed to --and second ear portions--.

Claim 23 has been canceled.

Claim 26 has been canceled.

In claim 32, line 3 --and second-- has been inserted after the second occurrence of "first", line 4 "member" has been changed to --members-- and "end of the band" has been changed to --and second ends of the band respectively--, line 6 "ear frame member in a first position" has been changed to --and second ear frame members in first positions--, line 7 "ear frame member is in the first position" has been changed to --and second ear frame members are in the first

positions--, line 8 --and second-- has been inserted after "first", "member" has been changed to --members-- and "a second position" has been changed to --second positions--, line 9 --and second-- has been inserted after "first" and line 10 "member is in the second position" has been changed to --members are in the second positions--.

Claim 33 has been canceled.

Claims 34-41 have been listed and provided with the status identifier (Canceled).

Claims 42-50 have been canceled.

2. Per the interview of August 3, 2005 claim 1 was amended to overcome indefiniteness therein, claims 14, 20 and 32 were amended to define over the Korean reference to Yoon and claims 42-50 were canceled to overcome indefiniteness therein.

3. The following is an examiner's statement of reasons for allowance: the prior art references of record fail to teach the combination of a shell and frame, the frame including first, second and third frame members, the first and third frame members including passageways and a projection proximate the passageway for engaging a plurality of projections on the second frame member.

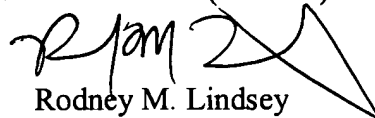

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Rodney M. Lindsey whose telephone number is (571) 272-4989. The examiner can normally be reached on M-F (8:30-5:00).
